

IHN Facility Member

With facility membership, facility:

- will receive acknowledgement and “promotion” amongst primary care clinics in locale
- will be part of a “participating provider network” in all feasible areas and contracts
- must join capitated / risk / baskets of care contracts
- may purchase QI expertise, advice, and tools at an additional fee (cost to be determined)
 - more granular reporting and analysis of submitted data
 - QI Toolbox with updates
 - onsite training and facilitation
 - assistance in required, contract-related data collection and reporting
- may use Integrity / Amerinet purchasing program if facility so chooses

Membership requirements

- member clinics/facilities must have a QI program in place or strong desire to start one with assistance
- all levels of membership must share the core value of providing excellent care at reasonable cost

Integrity Health Network Membership

Integrity Health Network is an Independent Practice Association that provides a host of services to their member clinics and facilities. Some of the core fundamentals of Integrity are providing a robust, mature, clinically-integrated quality improvement program to the network, negotiating health plan contracts with Minnesota, Wisconsin and national payers, and offering group purchasing opportunities. In addition, we stay abreast of emerging trends and legislation that relate to health care, whether it's finding a response for independents to Accountable Care Organizations or meeting the e-prescribing mandates in a cost efficient and time effective manner. Integrity offers independent clinics the opportunity to focus on providing health care; not researching legislative mandates.

Additionally, we offer collegiality and networking to clinic staff who may otherwise feel isolated. Stuck on a human resources issue? Ask any of the other 40-some administrators. Unsure of how to look at the latest lab test? Ask at our Lab Manager meeting. Independent clinic physicians, administrators and staff are not alone. They just feel that way sometimes.

Integrity Health Network offers four levels of membership to health care professionals. They are Full Member, Affiliate Member, Allied Member and Facility Member.

Visit our website for more information.

IHN Full Member

With full membership, physician/provider:

- must join Integrity risk health plan contracts (whether capitated, baskets of care, P4P, risk/gainshare, etc.) and follow guidelines for ensuring the highest quality of care in the most medically appropriate and cost efficient manner
